

Important Notice:

Waiver of RM1 Fee for Interbank Cash Withdrawals

Dear Cardholders,

We are pleased to inform you that effective 1 July 2026, the RM1 fee for interbank cash withdrawals at Kuwait Finance House (Malaysia) Berhad (KFHMB) self-service terminals, including Cash Recycler Machines (CRMs) will be waived for all Malaysian debit cardholders, regardless of which bank issued the debit card.

This initiative is part of an industry-wide effort by banks in Malaysia to make everyday banking services more accessible, affordable and convenient for everyone.

As a result, **KFHMB customers can now enjoy fee-free cash withdrawals** at any of the 14,000 bank-operated Automated Teller Machines (ATMs) and Smart Recycling Machines (SRMs) nationwide.

Thank you.
